Into the Unknown: A look Into the Uncertain Future of New Surprise Billing Laws (Podcast)

August 21, 2021

By: Brandon W. Shirley and George C. Lepeniotis

In this podcast we'll discuss how State and federal governments are rapidly pushing new medical billing transparency requirements. These new laws are raising many questions about what to expect and how to comply. Krieg DeVault attorneys discuss these new laws and steps that health providers can begin thinking about as these laws take shape.
