Matthew D. Neumann focuses his practice in the areas of environmental, health & safety, Brownfield redevelopments, cleanups and remediations, insurance and cost recovery, complex commercial litigation, government investigations, regulatory compliance and enforcement defense, risk management and workplace safety. Matthew is a core member of the firm's Real Estate, Environmental and Litigation Practice Groups, but he routinely works with many other practice groups in the Firm. Matthew is part of the Firm's COVID-19 Task Force, with a focus on the impact of COVID-19 on insurance coverage, workplace safety and risk management.

Mr. Neumann's practice includes litigation, transactional and regulatory components, and he has represented entities of all sizes, from conglomerated multi-national corporations, to municipalities and universities, to smaller family-owned companies, to startups, entrepreneurs and individuals. Mr. Neumann represents companies in many industries and sectors, with an emphasis on industrial/manufacturing, energy, real estate, financial institutions, pharmaceuticals, life science, agribusiness and health care. In the industrial/manufacturing sector, Mr. Neumann represents companies engaged in light manufacturing, heavy manufacturing, energy, telecommunications, metal processing, plating and surfacing, machine shops, tool & die companies, gas stations, dry cleaners, printing, automobile supply and automobile service companies.

Matthew has represented clients in regulatory and compliance matters, enforcement proceedings and government investigations involving the following governmental agencies: EPA, IDEM, DNR, OSHA, IOSHA, IURC, FERC, DOL, IDOL, and IDOI.

Mr. Neumann represents clients in all aspects of environmental matters, including remediations and cleanups, compliance, regulatory, litigation, transactional and Brownfields matters. Mr. Neumann counsels and advises buyers, sellers, borrowers, lenders, investors, municipalities, landlords and tenants on the environmental aspects of real estate, corporate, lending, M&A, tax credit and municipal transactions, including conducting, overseeing and/or assisting with environmental due diligence. Mr. Neumann represents buyers, sellers, developers, lenders,

SOLUTIONS®

investors and municipalities in complex Brownfield transactions and redevelopment projects.

Mr. Neumann represents policyholders in insurance coverage matters, including claims handling matters, coverage disputes, coverage litigation, cost recovery matters, enterprise risk management, policy procurement and coverage counseling. Mr. Neumann's policyholder representations extend to all types of commercial coverages, including Commercial General Liability (CGL), Property, Pollution/Environmental, Directors & Officers (D&O), Errors & Omissions, Fiduciary Liability, Employment Practice (EPL), Cyber, Data Security & Privacy, Health Care, Life Science, Product Liability, Fidelity/Crime and Umbrella/Excess policies.
