Diversity, Equity and Inclusion Overview

Krieg DeVault is committed to acknowledging, understanding, and implementing diversity initiatives to establish Krieg DeVault as an employer of choice, a leader in high quality legal services, and a partner with its diversely dynamic clients and community. We believe that the talents and viewpoints of a diverse legal team create the fulfilling professional environment that has brought us consistent recognition as one of the best places to work in our home state of Indiana. At Krieg DeVault, diversity is part of our long-term strategy – not a short-term program.

Recruiting and Retention

Krieg DeVault believes that diversity in our workplace brings out the best in people. When experiences, ideas, and knowledge are gleaned from varying perspectives, effective solutions to the practical, business, and legal issues our clients face can be achieved. Commitment to diversity means we actively seek to attract and retain talented professionals whose collective efforts not only enhance the services we provide, but also ensure the continued success and viability our firm has enjoyed for decades. Krieg DeVault is committed to providing equal employment opportunity to all employees and applicants without regard to race, color, age, religion, sex, disability, national origin, ancestry, sexual orientation, gender identity, status as a disabled veteran or other veteran or military status, or other status protected by law. As the facets of our community, clients, and firm change, we are keenly aware that a proactive approach, including leveraging the advantages of a diverse workforce, helps us keep pace with and meet the challenges of today and the future.

A lot of firms “get the lawyer part.” I've found I'm happier at a firm that also focuses on the people and culture. To me, Krieg DeVault does that.

LISTEN. LEARN. ENGAGE.

Through this initiative, we promise to **listen** by encouraging internal and external discussions on the issues of racism, inequality, and injustice. We promise to **learn** by promoting tangible resources that foster a deeper understanding of the systemic racism and the legal injustices plaguing our Nation, as well as other challenges related to bias and prejudice. We promise to **engage** by supporting the Black community and other marginalized groups in our communities through community service, financial investment, and by advocating for the dignity, respect, and safety of all. We promise to continue to explore new ways to listen, learn, and engage on these important community issues.
