## IRS Announces Retirement Plan Limitations for 2021

October 27, 2020

By: Lisa A. Durham and

On October 26, 2020, the Internal Revenue Service issued **Notice 2020-79** to announce the cost-of-living adjustments applicable to pension and retirement plan dollar limitations for the 2021 tax year – most of which will remain unchanged from 2020. Additionally, the Social Security Administration has determined that the 2021 contribution and benefit base will be \$142,800, up from \$137,700 in 2020. No change in a limitation means that the increase in the cost-of-living index was not sufficient to trigger the applicable statutory cost-of-living adjustment ("COLA").
