Krieg DeVault Recognized for Unparalleled Client Relationships in BTI Power Rankings 2017: The Law Firms with the Best Client Relationships in 18 Industries

July 19, 2017

Krieg DeVault has once again been recognized in two categories by BTI Consulting Group. The firm was named by clients to the Honor Roll of Core Firms in the manufacturing industry, in the top 30% of firms working in that industry, and was also named by clients to the Honor Roll of Recommended Firms in Manufacturing among the top 20%.

BTI Consulting Group is a national firm, that annually conducts a national in-depth survey of corporate general counsel of companies with \$1 billion or more in revenue to determine which law firms they use regularly, and which ones in-house counsel would recommend to others. Their comprehensive analysis of client relationships trends data from more than 4,000 corporate counsel client interviews conducted over the span of 16 years, including over 300 interviews in 2016.

BTI's strong client relationships are determined by three criteria:

- The law firms clients name as their core, go-to firms
- The firms that clients recommend most to their peers
- The prized firms who are both core, go-to firms and the most recommended to their peers
