

Stephanie Eckerle to Discuss Telehealth and Digital Medicine at 2019 Indiana Wellness Summit

September 4, 2019

Krieg DeVault is pleased to announce that [Stephanie T. Eckerle](#) will be discussing Telehealth and Digital Medicine at the upcoming 2019 Indiana Wellness Summit. Stephanie will share information regarding the various benefits that telehealth and telemedicine can provide to employees, legal and regulatory challenges to providing telehealth and telemedicine services for employees, and understanding the decision points and risk areas when choosing and contracting with telehealth and telemedicine vendors. Please visit the [2019 Indiana Wellness Summit website](#) for more information, or to register for this premier employer wellness event.
