David Adams serves as Chair of the Firm's Real Estate and Environmental Practice. Mr. Adams concentrates his practice representing commercial real estate developers, investors, lenders, landlords, and tenants in connection with the development, financing, leasing, purchasing and selling of office, industrial, healthcare, multi-family and retail properties, and alternative energy projects. He also has extensive experience representing business owners in connection with entity formation, the acquisition and sale of businesses, as well as the negotiation and structuring of complex supply, distribution, and other general business agreements. Mr. Adams also represents developers, investors and lenders in renewable energy projects, including acquisitions, developments, and debt and tax equity financings of utility-scale wind and solar energy projects.
