Madison Harada is a Senior Associate in the Firm's Health Care Practice. Ms. Harada's practice is focused on advising pharmacies, veterinarians, long-term care facilities and other healthcare providers on various state and federal regulatory and compliance issues, including licensure requirements, telehealth/telemedicine, Medicaid provider reimbursement, and the federal 340B program. She also works with long-term care providers throughout the state of Indiana, providing representation in matters related to guardianship. Her extensive pharmacy and Medicaid experience enables her to effectively counsel clients on a wide range of industry issues.

Ms. Harada's professional experience includes private practice and serving as a staff attorney at the Office of General Counsel for the Indiana Family & Social Services Administration. In this role, she represented the Office of Medicaid Policy & Planning (OMPP) in the administrative setting, litigating provider appeals for various Medicaid program issues.
