Michael Moser is an Associate in the firm's Commercial and Real Estate Lending Practice and Real Estate and Environmental Practice. His practice includes commercial and real estate lending, banking, real estate, renewable energy, corporate finance, contract negotiation and drafting, and general corporate matters. Mr. Moser advises both financial institutions and borrowers with respect to complex lending transactions including real estate financing, construction and development financing, other secured financing, and loan documentation and negotiation. He also assists developers, purchasers, and sellers with development, acquisitions and divestitures of commercial real estate and represents business owners in connection with entity formation as well as the negotiation and structuring of general business agreements. Mr. Moser also works with developers, investors and lenders on the real estate, development, lending and finance aspects of utility-scale wind and solar energy projects.
