Therese Andrews is very familiar with the loan documentation and closing process and has a great rapport with Krieg DeVault's lender clients. She facilitates many aspects of the documentation and closing process.

Therese has extensive experience in drafting loan documents, as well as coordinating the loan closing process. Therese has documented, closed and administered many types of loans including construction loans, commercial lines of credit, term loans, and syndicated credit portfolios. She also works closely with the various title companies and surveyors to assist Krieg DeVault's clients with their needs concerning lending and real estate.

Practices

- Commercial and Real Estate Lending

Industries

- Financial Services
- Real Estate

Representative Experience

- Preparation of initial drafts of loan documents
- Collection, inventory and review of due diligence during the negotiation process
- Assistance with the review of survey and title insurance commitment and review of final policies
- Facilitation of the recording or filing of security documents following the loan closing process through communication with the title company
