

Tax

Krieg DeVault lawyers make the Tax Code work for our clients, with a comprehensive approach to tax planning, transactional assistance, and tax controversy resolution that helps non-profit organizations, governmental entities, businesses, and individuals achieve financial objectives while maximizing tax advantages. Our tax lawyers access the firm's capabilities in corporate, estate planning, health care, and other areas, giving clients a single source for comprehensive tax guidance. We have the business skills and legal insight to keep current as tax law changes and to secure tax authority letter rulings when needed. Plus we can handle virtually any tax controversy concern, whether representing clients in audits by the Indiana Department of Revenue and the Internal Revenue Service, or in appeals before the Indiana and federal trial and appellate courts.
