

# Indiana House Republicans Protecting Taxpayers, Empowering Hoosiers

2025 LEGISLATIVE PRIORITIES

## ➤ Uphold Fiscal Responsibility, Streamline Government

- Pass an honestly balanced, two-year state budget that maintains critical investments in education and infrastructure while protecting taxpayers **(HB 1001)**
- Reduce regulations on K-12 schools to increase flexibility, focus on outcomes and give local communities more control over education decisions **(HB 1002)**

## ➤ Reduce Costs, Improve Services

- Improve transparency and predictability in health care pricing and billing, and provide patients increased access to their health information and more control over their treatment options **(HB 1003)**
- Ensure nonprofit hospitals act as nonprofit entities focused on delivering health care **(HB 1004)**
- Meet the needs of today's energy economy while reducing costs for Hoosiers by maintaining and growing our generating capacity, including embracing small modular nuclear reactors (SMRs) **(HB 1007)**

## ➤ Strengthen, Grow our Low-Cost, Low-Tax Hoosier Communities

- Strengthen public safety by providing additional state investment for deputy prosecutors **(HB 1006)**
- Improve access to housing by expanding the Residential Housing Infrastructure Assistance Program (RIF) to help Hoosier communities finance infrastructure projects that support residential housing **(HB 1005)**
- Create the Indiana-Illinois Boundary Adjustment Commission to embrace neighboring counties that want to join low-tax, low-cost Indiana, including the 33 counties in Illinois that have voted since 2020 (seven in the November 2024 election) to secede from their high-tax state **(HB 1008)**
